Despite representations based reference telegram (Department) Foreign Office advises Cuban Embassy today given note approving overflight 3 IL-18s subject to landing and inspection at British airport. Foreign Office states does not consider possible or desirable delay response to Cuban request further. Foreign Office understands these flights to be made by same Cuban pilot and co-pilot, return trips being made via commercial means. Foreign Office states has no knowledge date first flight but obvious first requested date of November 19 cannot be met. Foreign Office understands Irish will also request landing for inspection.
